**NOTICE OF PROPOSED AWARD (NOPA)****Los Angeles Regional Energy Innovation Cluster****GFO-15-321****June 22, 2016**

On March 16, 2016, the California Energy Commission released a competitive solicitation to fund awards to further advance a Los Angeles Regional Energy Innovation Cluster in California. This Cluster will provide and coordinate key services, assistance, resources, and infrastructure needed by entrepreneurs and researchers in the Los Angeles region to successfully bring to market energy innovations that can benefit IOU electric ratepayers. Up to \$5 million in Electric Program Investment Charge (EPIC) funding is available for this solicitation for the Los Angeles Region.

The Energy Commission received two proposals by the due date of May 31, 2016. The proposals were screened, reviewed, evaluated and scored using the criteria in the solicitation.

The attached "Notice of Proposed Award" identifies the Recipient that is recommended for funding by Energy Commission staff and includes the recommended funding amount and score. The total amount recommended is \$4,999,247.00.

Funding of proposed projects resulting from this solicitation is contingent upon the approval of these projects at a publicly noticed Energy Commission Business Meeting and execution of a grant agreement. If the Energy Commission is unable to timely negotiate and execute a funding agreement with an Applicant, the Energy Commission, at its sole discretion, reserves the right to cancel or otherwise modify the pending award, and award the funds to another applicant.

In addition, the Energy Commission reserves the right to: 1) add to, remove, or shift funding between the different groups if there are insufficient passing proposals in one group and 2) negotiate with successful applicants to modify the project scope, schedule, and/or level of funding.

This notice is being mailed to the Recipients of this solicitation and is also posted on the Energy Commission's website at: www.energy.ca.gov/contracts/.
