Description of Maps and Services	Price	Qty	Description of Maps and Services	Price	Qty
1) California Electric Transmission Lines Calif. Electric Transmission Grid showing 33 to 500 kV lines, identified by owner and kV rating, with substations identified by owner. Background: Plain Color Bkg. <input type="checkbox"/> Shaded Relief <input type="checkbox"/> Relief with Land Use <input type="checkbox"/>			7) Lamination Services Protect your purchase with high gloss .3 mil laminate (2-sided) - Prices by map size: A. Map Sizes @ 36x48" and 24x36" \$10 Each B. Map Sizes @ 18x24", 11x17" and 8.5x11" \$5 Each		
A. Statewide Map - California Electric Transmission Lines and Substations: A 36X48" map of the Electric Transmission System, with Substations shown by owner, but not named.	\$30		8) Additional Prints - Additional print-outs of the same map order \$10 Each		
B. 2-Part Map Set (Upper & Lower) - California Electric Transmission Lines and Substations: 2 plots @ 36X48" = Upper & Lower maps & 1 Enlargement sheet (congested areas). Substations are named. Map set = \$150. Maps may be ordered individually: Upper <input type="checkbox"/> Lower <input type="checkbox"/> Enlargement <input type="checkbox"/> Note: 2-Part Set mounted together = 70x64", measurement does not include Enlargement sheet.	\$150 Set		9) California Power Plant Database A Microsoft Excel spreadsheet of operational Power Plants, .1MW and above, listing name, MW, fuel type, on-line date, owner-operator, general location, etc.	Free	
	\$50 Each		10) California Substation Database A Microsoft Excel spreadsheet of operational Substations listing name, owner, general location, kV line association, and more.	Free	
C. 3-Part Map Set (Upper, Middle & Lower) - California Electric Transmission Lines and Substations: 3 plots @ 36X48" = Upper, Middle, Lower maps & 1 Enlargement sheet (congested areas). Subs are named. Map set = \$150. Maps may be ordered individually: Upper <input type="checkbox"/> Middle <input type="checkbox"/> Lower <input type="checkbox"/> Enlargement <input type="checkbox"/> Note: 3-Part Map Set mounted together = 66x60", measurement does not include Enlargement sheet.	\$150 Set		11) Special Request Maps Build a map to a specific area with individually selected layers to fit your needs. Contact us directly to discuss your order at (916) 654-3902.	À	
2) California Operational Power Plants Calif. Operational Power Plants, .1MW and above, shown by fuel type. Background: Plain Color Bkg. <input type="checkbox"/> Shaded Relief <input type="checkbox"/> Relief with Land Use <input type="checkbox"/>				<input type="checkbox"/> E-mail Map as PDF file upon completion of map order. <input type="checkbox"/> E-mail Map Order Form Receipt as PDF file.	
A. Statewide Map - California Operational Power Plants: A 36X48" map of Operational Power Plants by fuel type, but not named.	\$30		Total		
B. 2-Part Map Set (Upper & Lower) - California Operational Power Plants: 2 plots @ 36X48" = Upper & Lower maps & 1 Enlargement sheet (congested areas) Map set = \$150. Maps may be ordered individually: Upper <input type="checkbox"/> Lower <input type="checkbox"/> Enlargement <input type="checkbox"/> Power Plants are named. Note: 2-Part Map Set mounted together = 70x64", measurement does not include Enlargement sheet.	\$150 Set		Notes:		
	\$50 Each				
C. 3-Part Map Set (Upper, Middle & Lower) - California Operational Power Plants: 3 plots @ 36X48" = Upper, Middle & Lower Map / 1 Enlargement sheet (congested areas) Map set = \$150. Maps may be ordered individually: Upper <input type="checkbox"/> Middle <input type="checkbox"/> Lower <input type="checkbox"/> Enlargement <input type="checkbox"/> Power Plants are named. Note: 3-Part Map Set mounted together = 66x60", measurement does not include Enlargement sheet.	\$150 Set				
3) California Electric Utility Service Areas A statewide map @ 36x48" showing the Electric Utility Service Area boundaries and Electric Utility Retail Sale Totals.	\$30				
4) California Natural Gas Pipeline A 36x48" statewide map showing major natural gas pipelines identified by owner and pipe diameter.	\$30				
5) California Building or Forecasting Climate Zones <input type="checkbox"/> Building: Statewide map @ 36x48" - 16 Climate Regions which are incorporated into the Energy Efficiency Standards. <input type="checkbox"/> Forecasting: Statewide map @ 36x48" - 15 Climate Regions describing climate characteristics for geographical regions.	\$30 Each				
6) California Wind Resource Annual Wind Speed, Annual Wind Power, and Seasonal Wind Speed measured at various elevations (meters). Data Source: AWS Truepower, 2009 (30m, 50m, 70m, 100m), 2012 (50m)					
A. A 36x48" statewide map showing Annual Average Wind Speed @ 30m <input type="checkbox"/> 50m <input type="checkbox"/> 70m <input type="checkbox"/> 100m <input type="checkbox"/> (AWS Truepower 2009)	\$30 Each				
B. A 36x48" statewide map showing Seasonal Average Wind Speed @ 50 meter elevation only. Spring <input type="checkbox"/> Summer <input type="checkbox"/> Winter <input type="checkbox"/> Fall <input type="checkbox"/> (AWS Truepower 2009)	\$30 Each				
C. A 36x48" statewide map showing Annual Average Wind Power/ Wind Power Density/ Wind Speed @ 50 meter elevation only. (NREL/AWS Truepower 2012)	\$30		NOTE: Base data for most maps includes counties, roads, water bodies, cities and railroads. Additional data layers can be added to a map order upon request. Changes to a map order may be subject to additional charges. Enlargement Sheets for map sets are printed at 24X36" or 36X48", depending on set.		

To order by mail with a check: Fill out the order form and make a check payable to California Energy Commission. Mail to: California Energy Commission 1516 9th St., Sacramento, CA 94814-5512 ATTN: Terry Rose For further questions or to order by phone, contact Cartography at (916) 654-4182 or (916) 654-3902.
