

CITY OF MORENO VALLEY

**ADOPTION OF THE CITY OF MORENO VALLEY RENEWABLE ENERGY
ENFORCEMENT PROGRAM BY THE COUNCIL OF THE CITY OF MORENO VALLEY
ON
JANUARY 10, 2012**

NOTICE IS HEREBY GIVEN, that on Tuesday, January 10, 2012, at 6:00 PM or as soon thereafter, at the Council Chambers, City Hall, 14177 Frederick Street, Moreno Valley, California, the Council of the City of Moreno Valley will consider the adoption of the City of Moreno Valley Electric Renewable Energy Resources Enforcement Program pursuant California Senate Bill 1X-2.

Senate Bill 1X-2 establishes a Renewable Portfolio Standard of 33 percent by 2020 for all load serving entities in California. This extends to the City of Moreno Valley Electric Utility, a publicly owned utility. SB 1X-2 establishes minimum quantities of renewable energy resources that load serving entities must procure annually through 2020. Each load serving entity covered under the new law, including City of Moreno Valley Electric Utility, is also required to develop and implement a Renewable Energy Enforcement Program to enforce the provisions of SB1X-2.

The proposed RPS Enforcement Plan will be posted along with the City Council Agenda 72 hours prior to the City Council meeting at http://www.moval.org/city_council/agendas-sire.shtml

Members of the public may address the City Council regarding the item in this notice.

Any person(s) having concerns or questions regarding this hearing may contact the Division at (951) 413-3500, mvutilities@moval.org, or may visit the Moreno Valley Utility Division during normal City business hours.
